Part I Introduction: Populations, Problems, and Resources in a Global Society

1 The Human Face of Globalization 5
Richard H. Dana and James Allen
Introduction 5
At-Risk Populations 6
Resident Minority 7
Impoverished Underclass 7
Migrant Labor 9
Refugees 10
Transnational Elite 11
Critical Mass in Nations and Professions 15
Societal "Welcome" 16
Acculturation Outcomes 19
International Comparative Study of Ethnic Cultural Youth 20
Summary 22

2 Globalization: Psychological Problems and Social Needs 25
Richard H. Dana and James Allen
Introduction 25
Globalization 26

Psychological Science Re-Examined in Global Context 28
Psychopathology and Problems in Living
in Multicultural Populations 29
Population-Specific Sources of Distress 30
Resident Minorities 31
New Impoverished Multicultural Underclass 32
Migrant Labor 32
Refugees 34
Transnational Elite 34
Students 34
Professional-Managerial 35
Holistic Models of Stress and Well-Being 35
Physiological Concomitants of Distress 35
Negative Emotions 36
Unhealthy Behaviors 36
Holistic Stress Model 37
Workforce Globalization 38
Health/Well-Being Resources in Nations and Organizations 40
Summary 42

3 National and International Professional Resources 43
Richard H. Dana
Introduction 43
Professional Education and Training for
Multicultural Competency 44
Psychology 44
Social Work 45
Nursing 47
Psychiatry 47
Medicine 49
Scientific Basis for Professional Practice 50
Diversity in the Professional Workforce 54
International Affiliations 56
Social Work 56
Nursing 58
Psychiatry 58
Medicine 59
Summary 60

Part II Introduction: Education and Training Perspectives in Transition

4 Transitions Integrating Research and Practice 67
Richard H. Dana and James Allen
Introduction 67

Science and Research 68
Monocultural Research Components 68
Understanding Human Similarities and Differences 69
Scientific Ideologies 70
Human Science 71
Science and Training 72
Boulder Model 72
Vail Model 73
Professional Psychology: PhD/Psy.D? 73
Counseling Psychology Model 74
Science and Practice 75
Summary 77

5 Transitions in Psychotherapy, Clinical Diagnosis, and Assessment ... 79
Richard H. Dana
Introduction 79
Psychotherapy and Cultural Empathy 80
Multicultural Transitions in Clinical Diagnosis 82
European Exemplars 84
Contemporary Assessment Training and Practice 85
Revisiting Comprehensive Assessment 86
Contemporary DSM Limitations and Future Prospects 87
Culturally Sensitive Paradigms 88
Systematic Evaluation of Clinical Practice 89
Comprehensive Assessment Domains and New Instruments 89
Core Adaptations 90
Resiliency 90
Strengths 91
Subjective Well-Being 91
Salutogenesis 92
Acculturation Status 92
Summary 93

6 Transitions in Professional Training 95
Richard H. Dana
Introduction 95
Historic Multicultural Perspectives 96
Advocacy, Exemplars, and Demonstrations 96
Practice Models/Guidelines: United States and Great Britain 97
Contemporary Multicultural Education Perspectives 99
Expanding the Triadic Model to Four Factors 99
The Cube Model and Professional Competency 100
The Cube Model and Multicultural Competency Education 101
Scientific Knowledge and Methods 102

Individual and Cultural Diversity . . . 103
Reflective Practice/Self-Assessment . . . 104
Relationships . . . 105
Professional Development Stages . . . 106
A Multicultural Competency Training Model . . . 106
Personal Attributes and Demographics . . . 107
Constructs . . . 108
Training Modalities . . . 108
Outcome Evaluation . . . 109
Program Examples . . . 110
Milwaukee, Wisconsin . . . 110
San Francisco, California . . . 110
Summary . . . 111

Part III Introduction: Multicultural Education/Cultural Competency Training

7 Research Foundations of Cultural Competency Training . . . 117
Fons J.R. van de Vijver[1] and Seger M. Breugelmans[2]
Methodological Foundations of Studies of Cultural Competency Training . . . 118
Assessment Issues . . . 119
Causality . . . 120
Empirical Foundations of Cultural Competency Training . . . 124
The Nature of Cultural Competence . . . 125
The Effectiveness of Cultural Competency Training . . . 130
Conclusion . . . 132

8 Striving for Cultural Competence: Moving Beyond Potential and Transforming the Helping Professions . . . 135
Hilary N. Weaver
Defining Cultural Competence . . . 136
Crossing Disciplinary Boundaries: Historical Perspectives . . . 137
Evolution of the Concept of Cultural Competence . . . 138
Empirical Foundations and Practice Wisdom . . . 139
The State of the Art of Cultural Competence . . . 141
Critical Themes in Striving for Cultural Competence . . . 142
The Strengths Perspective . . . 142
The Transactional Approach . . . 143
Issues of Power . . . 144
The Elements of Cultural Competence . . . 145
Knowledge . . . 145
Skills . . . 146
Values and Attitudes . . . 148

Educating for Cultural Competence 149
Curriculum 149
Climate 151
Striving for Cultural Competence in the Classroom and Beyond 152
Cultural Competence in Research, Organizations, and Policies 152
Research 153
Organizations 153
Policy 155
Conclusion 155

9 Cultural Competency Training in Professional Psychology 157
Margaret R. Rogers
Training in Cultural Competence 160
Core Curricular Features of Exemplary Multicultural Training Programs 161
Similarities/Differences Across Clinical, Counseling, and School Psychology Programs 163
Training Suggestions Linked to Cross-cultural Competencies 169
Concluding Comments 172

Part IV Introduction: Using Professional Resources Effectively

10 A Cultural Competency Training Model 179
Richard H. Dana
Introduction 179
Monocultural–Multicultural Perspectives in Conflict 180
Cultural Competency Training for Services to At-Risk Populations 181
Training Model Essentials 182
Early Educational Preparation 182
Mission 183
Faculty–Student Selection 184
Social Justice Orientation 184
Research Sophistication 185
Core Competency Skills/Specialized Training 186
Training Modalities 187
Evaluation 187
Ethical Issues 189
Cube Model Implementation 193
Specialized Training and Services 193
Resident Minorities 195
Impoverished Underclass 196
Migrant Labor 197
Refugees 198
Transnational Elites 198

Academic Training and Community Mental Health Practice 201
International Alliances, Consensual Objectives, and Global Standards 203
