

**1 Trauma**

*B. Kress*

Cerebral Contusion .....	1	Cerebral Edema .....	17
Diffuse Axonal Injury .....	4	Herniation Syndromes .....	19
Subdural Hematoma (SDH) .....	7	Skull Fracture .....	22
Epidural Hematoma .....	11		
Traumatic Subarachnoid Hemorrhage .....	14		

**2 Inflammation**

*S. Haehnel*

Multiple Sclerosis (MS) .....	25	Cerebral Vasculitis .....	42
Postinfectious Encephalomyelitis (ADEM) .....	30	Toxoplasmosis .....	45
Herpes Simplex Encephalitis .....	33	Progressive Multifocal Leukoencephalopathy (PML) .....	48
Cerebral Abscess .....	36	Tuberculosis of the CNS .....	51
Meningitis .....	39	CNS Cysticercosis .....	55

**3 Aneurysms**

*S. Haehnel*

Subarachnoid Hemorrhage (SAH) .	59	Fusiform Aneurysm .....	66
Saccular Aneurysm .....	62		

**4 Vascular Malformations**

*S. Haehnel*

Cavernous Hemangioma .....	69	Cranial Dural Arteriovenous Fistula .....	82
Venous Dysplasia .....	72	Variants of Vascular Anatomy ....	86
Capillary Telangiectasia .....	75	Vascular Compression Syndromes	89
Pial Arteriovenous Malformation (AVM) .....	78		

**5 Stroke**

*S. Haehnel*

Ischemic Brain Infarction .....	92	Amyloid Angiopathy .....	103
Cerebral Microangiopathy .....	97	Vascular Dissection .....	106
Primary Intracerebral Hemorrhage .....	100	Impaired Venous Drainage .....	109
		Diffuse Hypoxic Brain Damage ...	113

## 6 Tumors

*B. Kress*

Meningioma .....	116	Medulloblastoma .....	152
Higher Grade Gliomas .....	121	Pineal Tumors .....	156
Brain Metastasis .....	126	Epidermoid .....	159
Low-Grade Astrocytoma .....	130	Embryonal Tumors .....	162
Primary CNS Lymphoma .....	133	Ependymoma .....	165
Sellar Masses .....	137	Glioneuronal Tumors .....	168
Nerve Sheath Tumors .....	141	Hemangioblastoma .....	172
Oligodendroglioma .....	145	Gliomatosis Cerebri .....	175
Pilocytic Astrocytoma .....	149	Choroid Plexus Papilloma .....	178

## 7 Cysts

*B. Kress*

Arachnoid Cyst .....	181	Colloid Cyst .....	190
Virchow–Robin Spaces .....	184	Rathke Cleft Cyst .....	193
Pineal Cyst .....	187	Choroid Plexus Cyst .....	196

## 8 Meninges

*B. Kress*

Meningeal Carcinomatosis .....	199	CNS Sarcoidosis .....	204
Reactive Meningeal Enhancement .....	202		

## 9 Ventricles and Cisterns

*S. Haehnel*

Obstructive Hydrocephalus .....	207	Pseudotumor Cerebri .....	214
Idiopathic Normal-Pressure Hydrocephalus .....	211		

**10 Leukoencephalopathies**

*S. Haehnel*

Wallerian Degeneration .....	216	Wilson Disease .....	233
Alzheimer Disease .....	218	Hepatic Encephalopathy .....	236
Central Pontine Myelinolysis .....	221	Amyotrophic Lateral Sclerosis (ALS) .....	238
Toxic Leukoencephalopathies .....	224	Wernicke Encephalopathy .....	241
Reversible Posterior Leuko- encephalopathy .....	227	Superficial Siderosis of the Brain .	244
Multiple System Atrophy .....	230		

**11 Congenital Malformations**

*S. Haehnel*

Chiari Malformations .....	246	Neurofibromatosis Type I (Von Recklinghausen Disease) ...	259
Defective Migration .....	250	Neurofibromatosis Type II .....	262
Anomalies of the Corpus Callosum .....	253	Tuberous Sclerosis (Bourneville–Pringle Disease) ...	265
Dandy–Walker Complex .....	255	Sturge–Weber Syndrome .....	268
Periventricular Leukomalacia (PVL) .....	257	Von Hippel–Lindau–Syndrome ..	270
		Holoprosencephaly .....	273

**12 Artifacts in MRI**..... 276

*S. Haehnel, B. Kress*

**13 Postoperative Changes**..... 284

*B. Kress, S. Haehnel*

**Index**..... 290
