

1 Brain

A. Schilling, J. O. Heidenreich

Persistent Primitive Trigeminal Artery	1	Ischemic Stroke in Children	43
Neurovascular Compression	4	Cerebral Amyloid Angiopathy	46
Capillary Telangiectasia	6	Spontaneous Intracerebral Hemorrhage	49
Cavernous Malformation	9	Hypertensive Hemorrhage	51
Venous Angioma	12	Ischemia of Minor Vessels	54
Vein of Galen Malformation	15	Intracranial Arteriosclerosis	56
Cerebral Arteriovenous Malformation	18	Acute Ischemic Insult	58
Dural Arteriovenous Malformation	22	Saccular Aneurysm	61
Fistula between Carotid Artery and Cavernous Sinus	25	Giant Aneurysm	65
Sturge-Weber Syndrome	28	Fusiform Aneurysm	68
Hemangioblastoma	31	Mycotic Aneurysm	71
Von Hippel-Lindau Syndrome	33	Major Sinus and Cerebral Vein Thrombosis	73
Intracranial Vasculitis	35	Post-Therapy Imaging in Aneurysm Patients	75
Moya-Moya Disease	39	Extracranial-Intracranial Arterial Bypass	79

2 Spinal Canal

A. Schilling, J. O. Heidenreich

Spinal Arteriovenous Malformation	81	Spinal Dural Arteriovenous Fistula	84
---	----	--	----

3 Head and Neck

Z. Grozdanovic, A. Schilling

Aberrant Internal Carotid Artery	87	Jugular Vein Thrombosis	107
High Jugular Bulb	90	Extracranial Carotid Artery Stenosis	110
Dehiscence of the Jugular Bulb ...	92	Dissection of the Internal Carotid Artery	114
Glomus Tympanicum Tumor	94	Dissection of the Vertebral Artery	118
Glomus Jugulare Tumor	98	Subclavian Steal Syndrome	121
Carotid Body Tumor	101		
Giant Cell Arteritis	104		

4 Chest

T. Albrecht, Z. Grozdanovic

Duplication of the Superior Vena Cava	125	Takayasu Arteritis	138
Duplication of the Aortic Arch ...	128	Acute Aortic Syndrome	141
Aberrant Left Subclavian Artery .	131	Penetrating Aortic Ulcer	144
Coarctation of the Aorta	135	Intramural Hematoma of the Aorta	148

Aortic Dissection	151	Ruptured Thoracic Aortic Aneurysm	165
Traumatic Aortic Rupture	155	Pulmonary Embolism	169
Thoracic Aortic Aneurysm	158	Hereditary Hemorrhagic Telangiectasia	172
Infectious (Mycotic) Aneurysm ..	162		
5 Abdomen			
<i>F. Wacker, T. Albrecht</i>			
Duplication of the Inferior Vena Cava	176	Acute Mesenteric Ischemia	198
Abdominal Aortic Aneurysm	179	Chronic Mesenteric Ischemia	202
Inflammatory Abdominal Aortic Aneurysm	183	Vasculitis Involving the Mesenteric Arteries	205
Ruptured Abdominal Aortic Aneurysm	186	Aneurysms of Visceral Arteries ..	208
Endoleaks after Aortic Stent Placement	189	Gastrointestinal Bleeding	213
Chronic Occlusive Disease of the Aorta	193	Portal Hypertension	217
Leriche Syndrome	196	Mesenteric and Portal Vein Thrombosis	221
		Budd–Chiari Syndrome	225
		Thrombosis of the Inferior Vena Cava	229
6 Kidneys			
<i>F. Wacker, Z. Grozdanovic</i>			
Renal Arterial Stenosis	232	Transplant Renal Vein Thrombosis	246
Fibromuscular Dysplasia	236	Arteriovenous Fistula after Renal Biopsy	248
In-Stent Renal Arterial Stenosis	240	Tumor Infiltration into the Renal Vein	251
Transplant Renal Artery Stenosis	243		
7 Extremities			
<i>F. Wacker, Z. Grozdanovic</i>			
Peripheral Arterial Occlusive Disease	254	Stenosis of a Dialysis Shunt	269
Peripheral Arterial Aneurysm	258	Central Venous Stenosis in the Upper Extremity	272
Embolic Arterial Occlusion	261	Deep Venous Thrombosis in the Pelvis and Lower Extremity	275
False Aneurysm after Arterial Puncture	264	Varicose Veins	278
Arteriovenous Fistula after Arterial Puncture	266	Thromboangiitis Obliterans	281
Index	284
