<b>1 General Preparations for Surgery</b> .....	1		
<i>J. Theissing</i>			
<b>Indication and Operative Planning</b> .....	1	<b>General Pre-assessment and Preparation</b> .....	2
<b>Legal Prerequisites and Informed Consent</b> .....	1	<b>Thrombosis Prophylaxis</b> .....	3
<b>2 Local Anesthesia</b> .....	4		
<i>J. Theissing</i>			
<b>Topical Anesthesia</b> .....	4	<b>Premedication</b> .....	5
<b>Infiltration and Regional Anesthesia</b> .....	5		
<b>3 General Anesthesia for ENT Surgery</b> .....	6		
<i>J. Theissing</i>			
<b>General Aspects</b> .....	6	Surgery of the Nose .....	6
<b>Special Considerations</b> .....	6	Surgery of the Mouth and Pharynx .....	6
Surgery of the Ear .....	6	Surgery of the Larynx for Endolaryngeal Operations .....	7
<b>4 Postoperative Management</b> .....	8		
<i>J. Theissing</i>			
<b>Postoperative Monitoring</b> .....	8		
<b>5 Reconstructive Plastic Surgery of the Face</b> .....	9		
<i>G. Rettinger</i>			
<b>Basic Principles</b> .....	9	Surgical Technique for Relieving Skin Tension .....	18
General Remarks .....	9	Scar Revision Techniques for Extensive and Adherent Scars .....	19
Surgical Anatomy of the Skin .....	9	Management of Soft-Tissue Defects .....	19
Aesthetic Units and Relaxed Skin Tension Lines .....	10	General Remarks .....	19
Instruments .....	11	Pedicle Flaps .....	20
Suture Material .....	11	Free Skin Grafts .....	26
Wound Healing and General Wound Management .....	11	<b>Plastic Reconstructive Operations in Various Regions of the Face</b> .....	29
Wound Healing .....	11	Preliminary Remarks .....	29
General Wound Management .....	12	Forehead and Temple .....	29
Suture Techniques .....	12	Eyelids .....	29
Standard Suture Technique .....	12	Upper Eyelid .....	29
Special Suture Techniques .....	13	Lower Eyelid .....	29
Management of Soft-Tissue Injuries and Their Sequelae ...	15	Eyelid Surgery in Facial Paralysis .....	29
Primary Management .....	15		
Scar Revision .....	16		

Cheek .....	30	Lips .....	39
Nose .....	30	Deformity of the Vermilion Caused by Scar Contracture .....	39
Management of Defects of the Nasal Dorsum and Lateral Sidewalls .....	32	Minor Lip Defects .....	39
Management of Defects of the Nasal Tip and Columella .....	35	Neck .....	42
Management of Defects of the Nasal Alae .....	35	Tracheostoma Closure .....	42
Total Nasal Reconstruction .....	37		
<b>6 Nasal Surgery</b> .....	45		
<i>G. Rettinger</i>			
<b>Preliminary Remarks</b> .....	45	Basic Techniques .....	73
Surgical Anatomy .....	45	Incisions and Approaches to the Nasal Dorsum .....	73
Respiratory Function .....	47	Osteotomies .....	78
Measuring Respiratory Function .....	48	Measuring Points, Lines, and Angles .....	81
Instruments Required for Septoplasty/Rhinoplasty .....	49	Nasal Hump Deformity .....	83
Septoplasty Instruments .....	50	Crooked Nose .....	87
Rhinoplasty Instruments .....	50	Saddle-Nose Deformity .....	90
<b>Management of Fresh Nasal Injuries</b> .....	51	Nasal Tip and Nasal Base .....	94
Soft-Tissue Injuries .....	51	Preoperative Analysis .....	94
Foreign Bodies .....	51	Correction of Nasal-Tip Projection .....	95
Fractures of the Bony Nasal Pyramid .....	52	Correction of Nasal Length .....	96
Reduction of Fractures .....	53	Retracted Columella .....	98
Septal Fracture/Septal Hematoma/Septal Abscess .....	54	Correction of the Form of the Nasal Tip .....	98
Surgery for Septal Hematoma/Abscess .....	54	Correction of Alar Collapse .....	101
<b>Surgery of the Nasal Septum</b> .....	55	<b>Malformations</b> .....	102
Functions of the Nasal Septum .....	55	Nasal Fistulas and Cysts .....	102
Septoplasty .....	57	Choanal Atresia .....	104
Septal Perforation .....	70	<b>Turbinates</b> .....	106
<b>Surgery of the External Nose (Rhinoplasty)</b> .....	73	<b>Surgical Management of Epistaxis</b> .....	109
Preliminary Remarks .....	73		
<b>7 Surgery of the Paranasal Sinuses and Their Adjacent Structures</b> .....	111		
<i>C. Rudack</i>			
<b>Endonasal Surgery of the Paranasal Sinuses</b> .....	111	Surgery of Oro-Antral Fistulas .....	128
Anatomical Aspects of the Paranasal Sinus System .....	111	Closure of an Oral–Maxillary Sinus Fistula .....	128
Preparation for Endonasal Surgery of the Paranasal Sinuses .....	114	Closure of a Palatal–Maxillary Sinus Fistula Using a Cheek Rotation Flap .....	128
Surgery of the Maxillary Sinus .....	114	Surgery of the Ethmoid Sinus Using an External Approach (Transfacial) .....	129
Endoscopy of the Maxillary Sinus (Sinuscopy, Antroscopy) .....	114	Extranasal Surgery of the Frontal Sinus .....	130
Surgery of the Ethmoid .....	117	Surgery of the Frontal Sinus Modified after Jansen–Ritter .....	130
Endonasal Surgery of the Ethmoid .....	120	Riedel’s Radical Frontal Sinus Operation .....	131
Surgery of the Sphenoid .....	122	Osteoplastic Surgery of the Frontal Sinus .....	132
Endonasal Opening of the Sphenoid Sinus .....	122	Median Drainage .....	134
Surgery of the Frontal Sinus .....	123	<b>Surgery of Malignant Tumors of the Paranasal     Sinus Region</b> .....	134
Endonasal Surgery of the Frontal Sinus .....	123	Lateral Rhinotomy Approach .....	135
Postoperative Care for Endonasal Surgery of the Paranasal Sinuses .....	126	Technique for Tumors of the Lower Level with Elevation of a Cheek Flap .....	135
<b>Surgery of the Paranasal Sinuses,     Combined with Extranasal Approaches</b> .....	126	Technique of Total Maxillectomy .....	135
Transfacial Approach to the Maxillary Sinus .....	126	Technique of Midfacial Degloving .....	136

<b>Surgery of the Lacrimal Ducts</b> .....	139	Approach to Fractures of the Orbital Rim .....	144
Endonasal Microscopic and Endoscopic Procedure for Dacryocystorhinostomy .....	139	Approach to Injuries of the Upper Paranasal Sinus/ Orbital Region .....	144
<b>Surgery for Trauma to the Paranasal Sinuses, Orbit, and Anterior Cranial Base; and Surgery of Endocranial Complications</b> .....	140	Fractures of the Frontal Sinus Region without Injury to the Skull Base .....	144
Approach to Fractures of the Zygoma .....	140	Injuries to the Anterior Cranial Base .....	145
Fractures of the Zygomatic Arch .....	141	Optic Nerve Decompression .....	146
Fractures of the Orbital Floor .....	141	Approach for Orbital Complications of Acute Sinusitis (Orbital Subperiosteal Abscess) .....	147
<b>8 Surgery of the Epipharynx</b> .....	149		
<i>J. Theissing</i>			
<b>Adenoidectomy</b> .....	149	<b>Surgical Technique for Nasopharyngeal Angiofibroma</b> ..	153
<b>Biopsy of the Nasopharynx</b> .....	152		
<b>9 Surgery of the Oral Cavity and Oropharynx</b> .....	155		
<i>J. Theissing</i>			
<b>Surgery of the Tonsils</b> .....	155	<b>Surgery for Malignant Tumors of the Tongue, Floor of the Mouth, Tonsils, and Posterior Pharyngeal Wall</b> ..	172
Tonsillectomy .....	155	Tumours of the Tip of the Tongue, Margin of the Tongue, and Floor of the Mouth .....	172
Alternatives .....	160	Oral Approach .....	172
<b>Surgery for Inflammatory Complications Originating from the Tonsils</b> .....	163	Laser Surgical Resection of Carcinomas of the Oral Cavity .....	173
Incision and Drainage of a Peritonsillar Abscess .....	163	<i>J. A. Werner</i>	
Abscess Tonsillectomy .....	164	Alternatives .....	175
Incision and Drainage of a Retropharyngeal Abscess .....	165	<b>Surgery for Tumors of the Tonsils, Base of the Tongue, and Pharyngeal Wall</b> .....	177
Surgery for Deep Neck Infection Originating from the Tonsils and for Tonsillar Sepsis .....	165	Tumour Tonsillectomy .....	177
<b>Surgery for Abscesses of the Oral Cavity</b> .....	167	Laser Surgical Resection of Oropharyngeal Carcinomas ...	179
Superficial Lingual Abscess .....	167	<i>J. A. Werner</i>	
Deep Tongue Abscess .....	168	Alternatives .....	180
Abscesses of the Floor of the Mouth .....	169	<b>Surgery for Snoring and Obstructive Sleep Apnea Syndrome</b> .....	182
<b>Surgery for Benign Tumors and Cysts of the Oral Cavity and Oropharynx</b> .....	170	Uvulopalatopharyngoplasty (UPPP) .....	182
Benign Lingual Tumors .....	170	Alternatives .....	183
Cysts of the Floor of the Mouth .....	170		
Management of a Ranula .....	170		
<b>10 Surgery of the Larynx, Hypopharynx, and Trachea</b> .....	185		
<i>J. A. Werner</i>			
<b>Endolaryngeal Operations</b> .....	185	<b>Transoral Laser Microsurgery</b> .....	196
Indirect Endolaryngeal Operations .....	185	Benign Disorders .....	196
Direct Endolaryngeal Operations .....	187	Granulomas .....	196
Direct Distending Laryngoscopy Under General Endotracheal Anesthesia (Microlaryngoscopy after Kleinsasser) .....	187	Laryngocele .....	197
Direct Laryngotracheoscopy using the Ventilation Laryngotracheoscope .....	189	Papillomas .....	197
Transoral Cold-Steel Resection of Benign Lesions of the Larynx .....	192	Laryngomalacia .....	197
Incomplete Glottic Closure in the Presence of Unilateral Adductor Paralysis—Endolaryngeal Approach .....	193	Laser Surgical Epiglottopexy .....	198
		Laser Surgical Division of Short Aryepiglottic Folds .....	198
		Hemangiomas and Vascular Malformations .....	198

<b>Surgery for Glottic Stenosis</b> .....	200	<b>Surgery for a Hypopharyngeal Diverticulum</b> .....	226
Lichtenberger Endo-Extralaryngeal Expansion of the Glottis .....	200	Transoral Surgery .....	226
Endolaryngeal, Microlaryngoscopic Expansion of the Glottis .....	201	Choice of Endoscopic Approach .....	229
Transoral Arytenoidectomy .....	202	Resection of a Zenker Diverticulum from an Open Approach .....	229
Endolaryngeal Laser Surgical Expansion of the Glottis after Dennis and Kashima (Posterior Cordectomy) ...	203	<b>Tracheobronchoscopy</b> .....	230
Extralaryngeal Lateral Fixation .....	203	Tracheobronchoscopy with a Rigid Bronchoscope .....	230
Combined Extra-Endolaryngeal Expansion of the Glottis ..	205	Tracheobronchoscopy with a Flexible Bronchoscope .....	231
Spasmodic Dysphonia .....	206	<b>Malignant Diseases of the Larynx</b> .....	234
<b>Surgery for Stenosis of the Larynx and Trachea</b> .....	207	Transoral Partial Laryngectomy—Laser Surgery .....	235
Approach for Laryngeal Stenosis .....	207	Carcinoma of the Vocal Folds .....	235
Stenosis of the Laryngotracheal Junction .....	207	Carcinoma of the Supraglottis .....	238
Resection .....	208	Carcinoma of the Hypopharynx .....	240
Management of Tracheal Stenosis .....	209	Partial Laryngectomy—Transcutaneous or Open Approaches .....	241
Lateropexy of the Trachea .....	209	Cordectomy after Thyrotomy .....	241
Transverse Tracheal Resection with End-to-End Anastomosis .....	210	Frontolateral Pharyngectomy according to Leroux–Robert .....	244
Longitudinal Division of the Trachea .....	211	Partial Laryngectomy according to Hautant .....	247
Tracheal Stent Implantation .....	212	Classic Hemilaryngectomy according to Gluck–Soerensen .....	248
Surgical Management of Tracheal Stenosis in Children .....	212	Horizontal Partial Laryngectomy .....	249
<b>Surgery for Fresh Injuries of the Larynx and Trachea</b> ...	215	Supracricoid Partial Laryngectomy with Cricohyoidopexy Reconstruction .....	251
Management of Dislocated Laryngeal Fractures and Injuries .....	215	Supracricoid Partial Laryngectomy with Cricohyoidoepiglottopexy Reconstruction .....	255
Management of Tracheal Avulsion .....	217	Total Laryngectomy .....	256
<b>Laryngotomy and Tracheotomy</b> .....	218	Voice Rehabilitation after Laryngectomy— Functional Principle .....	262
Coniotomy .....	218	Surgical Rehabilitation of the Voice after Laryngectomy .....	262
Tracheotomy .....	219	<b>External Approach for Malignant Tumors of the Hypopharynx</b> .....	263
Tracheostoma Reversal .....	224	Partial Hypopharyngolaryngectomy with Preservation of the Larynx .....	263
<b>Surgery for Inflammatory Diseases of the Hypopharynx and Larynx</b> .....	226	Total Laryngectomy with Partial Pharyngectomy .....	263
Surgery of an Epiglottic Abscess .....	226	<b>11 Surgery of the Neck</b> .....	264
Management of Laryngeal Perichondritis .....	226	<i>J. A. Werner</i>	
<b>Perioperative Antibiotics for Soft-Tissue Surgery of the Head and Neck</b> .....	264	Surgical Treatment of Thyroglossal Duct Cyst .....	277
Distinction between Septic and Aseptic Surgery .....	264	Surgical Treatment of Branchial Cleft Cysts .....	279
Spectrum of Infectious Organisms .....	264	Branchial Cleft Cyst .....	279
Timing and Duration of Antibiotic Therapy .....	264	Branchial Cleft Fistula .....	280
Treatment of Wound Infections .....	264	Excision of Branchial Cleft Fistula .....	281
<b>Surgery of the Lymph Nodes</b> .....	264	Excision of an External Laryngocele .....	282
Lymph Node Abscesses .....	264	<b>Cervical Lymphangioma</b> .....	283
Cervicofacial Lymphadenectomy .....	265	<b>Surgery of Glomus Tumors (Paragangliomas)</b> .....	284
Scalene Node Biopsy .....	267	<b>Surgery of the Thyroid Gland</b> .....	285
Neck Dissection .....	268	Anatomy and Relations .....	285
Radical Neck Dissection .....	269	Euthyroid Nodular Goiter .....	288
Modified Radical Neck Dissection .....	274	<b>Surgery of Thyroid Malignancies</b> .....	292
Selective Neck Dissection .....	276	Lateral Neck Dissection .....	293

<b>12 Surgery of the Esophagus and Mediastinum</b> .....	294
<i>J. A. Werner</i>	
<b>Endoscopic Surgery</b> .....	294
Rigid Esophagoscopy .....	294
Foreign Body Extraction from the Esophagus .....	296
Esophageal Biopsy .....	297
Flexible Esophagoscopy .....	297
	Treatment of Acute Caustic and Scalding Esophageal Injuries and Strictures .....
	298
	<b>Cervical Esophagotomy</b> .....
	299
	<b>Cervical Mediastinotomy</b> .....
	301
<b>13 Surgery of the Salivary Glands</b> .....	302
<i>J. Theissing</i>	
<b>Surgery of the Submandibular Salivary Gland</b> .....	302
Incision of the Submandibular Duct .....	302
Excision of the Submandibular Gland .....	303
<b>Surgery of the Parotid Gland</b> .....	305
Treatment of Parotid Gland Injuries .....	305
Parotid Parenchymal Fistula .....	305
Injury to the Parotid Duct .....	305
Facial Nerve Injury .....	306
	Treatment of Parotid Abscess .....
	307
	Treatment of Parotid Stones .....
	308
	Parotidectomy .....
	308
	Superficial Parotidectomy .....
	308
	Subtotal or Total Parotidectomy with Preservation of the Facial Nerve .....
	311
	Radical Parotidectomy .....
	312
	Parotid Revision Surgery .....
	313
<b>14 Surgery of the Ear</b> .....	314
<i>J. Theissing</i>	
<b>Preoperative Measures and Preparations</b> .....	314
Preoperative Measures .....	314
Preoperative Preparations .....	314
<b>Postoperative Care</b> .....	315
	<b>Anesthesia</b> .....
	315
	Topical Anesthesia .....
	315
	Local Anesthesia (Infiltration Anesthesia) .....
	315
	General Anesthesia .....
