

# Contents

## 1 Maxillofacial Imaging Anatomy

Introduction . . . . .	1
3D CT . . . . .	2
Cone Beam 3D CT . . . . .	5
CT Sections, Bone Structures . . . . .	6
Cone Beam CT Sections. . . . .	10
Schematic Drawing, Floor of Mouth . . . . .	11
CT Sections, Soft Tissue Structures . . . . .	12
MR Sections . . . . .	13
Temporomandibular Joint . . . . .	16
Suggested Reading . . . . .	20

## 2 Jaw Cysts

Introduction . . . . .	21
Periapical Cyst . . . . .	21
Residual Cyst . . . . .	25
Paradental (Mandibular Infected Buccal) Cyst . . . . .	26
Lateral Periodontal Cyst . . . . .	28
Incisive Canal Cyst . . . . .	29
Follicular Cyst . . . . .	30
Glandular Odontogenic Cyst . . . . .	36
Suggested Reading . . . . .	37

## 3 Benign Jaw Tumors and Tumor-like Conditions

Introduction . . . . .	39
<b>Bone-destructive Tumors</b> . . . . .	39
Keratocystic Odontogenic Tumor . . . . .	39
Ameloblastomas . . . . .	47
Odontogenic Myxoma/Myxofibroma . . . . .	58
<b>Bone-destructive and Bone-productive Tumors</b> . . . . .	60
Osteoblastoma . . . . .	60
Ossifying Fibroma . . . . .	62
Ossifying Fibroma with Aneurysmal Bone Cyst . . . . .	66
Aneurysmal Bone Cyst . . . . .	66

<b>Hard Tissue-producing Tumors, Exostoses, and Malformations</b> . . . . .	68
Osteoma . . . . .	68
Exostoses . . . . .	69
Odontoma, Complex Type . . . . .	71
<b>Bone-destructive and/or Bone-productive Tumor-like Conditions</b> . . . . .	72
Simple Bone Cyst . . . . .	72
Giant Cell Granuloma . . . . .	76
Langerhans Cell Histiocytosis . . . . .	79
Fibrous Dysplasia . . . . .	81
Cherubism . . . . .	84
Suggested Reading . . . . .	85

## 4 Malignant Tumors in the Jaws

Introduction . . . . .	87
<b>Bone-destructive Tumors</b> . . . . .	87
Squamous Cell Carcinoma . . . . .	87
Mucoepidermoid Carcinoma . . . . .	91
Adenoid Cystic Carcinoma . . . . .	94
Non-Hodgkin's Lymphoma . . . . .	98
Myeloma . . . . .	104
Leukemia . . . . .	106
<b>Bone-destructive and Bone-productive Tumors</b> . . . . .	108
Osteosarcoma . . . . .	108
Chondrosarcoma . . . . .	114
Ewing Sarcoma . . . . .	116
Suggested Reading . . . . .	117

## 5 Jaw Infections

Introduction . . . . .	119
Osteomyelitis . . . . .	119
Osteomyelitis with Periostitis . . . . .	126
Osteosclerosis, idiopathic . . . . .	133
Osteoradionecrosis . . . . .	134
Abscess . . . . .	137
Suggested Reading . . . . .	141

## 6 Temporomandibular Joint

<b>Introduction</b> . . . . .	143
<b>Internal Derangements</b> . . . . .	143
Osteoarthritis . . . . .	149
Bone Marrow Abnormalities . . . . .	154
<b>Arthritides</b> . . . . .	157
Juvenile Idiopathic Arthritis . . . . .	162
<b>Ankyloses</b> . . . . .	164
<b>Growth Disturbances (Anomalies)</b> . . . . .	166
<b>Inflammatory or Tumor-like Conditions</b> . . . . .	168
Calcium Pyrophosphate Dehydrate Crystal Deposition Disease (Pseudogout) . . . . .	168
Pigmented Villonodular Synovitis . . . . .	169
Traumatic Bone Cyst . . . . .	169
<b>Benign Tumors</b> . . . . .	170
Synovial Chondromatosis . . . . .	170
Osteochondroma . . . . .	172
Osteoma . . . . .	173
Sphenoid Meningioma . . . . .	173
<b>Malignant Tumors</b> . . . . .	174
<b>Osteoradionecrosis</b> . . . . .	175
<b>Coronoid Hyperplasia</b> . . . . .	175
<b>Suggested Reading</b> . . . . .	176

## 7 Dentoalveolar Structures and Implants

<b>Introduction</b> . . . . .	179
<b>Tooth Anatomy, Tooth Pathology and Adjacent Structures</b> . . . . .	179
<b>Dental Implant Imaging, Pre- and Postoperative CT Scanning</b> . . . . .	186
<b>Suggested Reading</b> . . . . .	197

## 8 Facial Traumas and Fractures

<b>Introduction</b> . . . . .	199
<b>Non-fracture Traumas</b> . . . . .	199
<b>Fractures</b> . . . . .	202
<b>Mandibular Fractures</b> . . . . .	202
Mandibular Fractures Combined with Other Fractures . . . . .	211
Complications of Mandibular Fractures . . . . .	215

<b>Nasal Fractures</b> . . . . .	217
<b>Midfacial Fractures</b> . . . . .	218
Isolated Maxillary Sinus Wall Fracture . . . . .	218
LeFort Fractures . . . . .	219
Tripod Fracture . . . . .	222
Blow-out Fracture . . . . .	224
<b>Suggested Reading</b> . . . . .	226

## 9 Facial Growth Disturbances

<b>Introduction</b> . . . . .	227
<b>Isolated Disturbances</b> . . . . .	227
Common Cleft Palate and/or Cleft Lip . . . . .	227
Choanal Atresia . . . . .	230
Tori Palatinus, Maxillaris, and Mandibularis . . . . .	231
Condylar Hyperplasia . . . . .	232
Cherubism . . . . .	233
Fibrous Dysplasia . . . . .	234
Mandibular Neck/TMJ Fracture or TMJ Infection Complication . . . . .	236
TMJ Internal Derangement Complication . . . . .	239
<b>Systemic Disease</b> . . . . .	239
Juvenile Idiopathic (Rheumatoid/Chronic) Arthritis . . . . .	239
<b>Syndromes</b> . . . . .	241
Down Syndrome . . . . .	241
Premature Cranial Synostoses . . . . .	243
Non-synostotic Occipital Plagiocephaly . . . . .	244
Turner Syndrome . . . . .	245
Goldenhar Oculoauriculovertebral (OAV) Spectrum . . . . .	246
Goldenhar Syndrome . . . . .	246
Hemifacial Microsomia . . . . .	246
Treacher Collins Syndrome (Mandibulofacial Dysostosis) . . . . .	250
Syndromic Craniosynostoses (Craniofacial Dysostoses) . . . . .	252
Crouzon Syndrome . . . . .	252
Apert Syndrome . . . . .	254
Achondroplasia . . . . .	256
Pyknodysostosis . . . . .	259
Ectodermal Dysplasia . . . . .	260
<b>Miscellaneous Conditions</b> . . . . .	262
<b>Suggested Reading</b> . . . . .	265

## 10 Paranasal Sinuses

<b>Introduction</b> . . . . .	267
<b>Inflammatory Diseases</b> . . . . .	267
Acute Rhinosinusitis . . . . .	267
Chronic Sinusitis . . . . .	270
Mucosal Imaging Findings in Asymptomatic Individuals . . . . .	274
Retention Cysts, Mucous and Serous . . . . .	274
Polyps . . . . .	276
Mucoceles . . . . .	279
Noninfectious Destructive Sinonasal Disease (Wegener's Granulomatosis) . . . . .	284
Inflammatory Dental Conditions . . . . .	285
<b>Tumors and Tumor-like Conditions</b> . . . . .	287
Papilloma . . . . .	287
Osteoma . . . . .	288
Fibrous Dysplasia . . . . .	289
Nasolabial Cyst . . . . .	292
<b>Malignant Tumors</b> . . . . .	293
Squamous Cell Carcinoma . . . . .	293
Adenocarcinoma . . . . .	295
Lymphoma . . . . .	296
Osteosarcoma . . . . .	297
Ewing sarcoma . . . . .	298
<b>Expansile Odontogenic Conditions</b> . . . . .	300
<b>Miscellaneous Conditions</b> . . . . .	303
<b>Suggested Reading</b> . . . . .	307

## 11 Maxillofacial Soft Tissues

<b>Introduction</b> . . . . .	309
<b>Infection (Abscess)</b> . . . . .	309
<b>Muscular Hypertrophy, Atrophy and Dehiscence</b> . . . . .	311
<b>Calcifications</b> . . . . .	315
<b>Vascular Malformations</b> . . . . .	317
<b>Cysts</b> . . . . .	321
<b>Lingual Thyroid</b> . . . . .	324
<b>Benign Tumors</b> . . . . .	326
Lipoma . . . . .	326
Schwannoma . . . . .	327
<b>Malignant Tumors</b> . . . . .	328
Oropharyngeal Carcinomas . . . . .	328
Adenoid Cystic Carcinoma . . . . .	332
Lymphoma . . . . .	333
<b>Suggested Reading</b> . . . . .	334

## 12 Salivary Glands

<b>Introduction</b> . . . . .	335
<b>Nonneoplastic Conditions</b> . . . . .	335
Infection/inflammation . . . . .	335
Sialolithiasis . . . . .	339
Sjögren Syndrome . . . . .	345
Benign Lymphoepithelial Cysts Associated with HIV-AIDS . . . . .	348
Ranula . . . . .	349
<b>Tumors</b> . . . . .	350
<b>Benign Tumors</b> . . . . .	350
Pleomorphic Adenoma (Benign Mixed Tumor) . . . . .	350
Hemangioma . . . . .	354
<b>Malignant Tumors</b> . . . . .	356
Mucoepidermoid Carcinoma . . . . .	356
Acinic Cell Carcinoma . . . . .	357
Lymphoma . . . . .	358
Adenocarcinoma . . . . .	358
<b>Suggested Reading</b> . . . . .	359

## 13 Adjacent Structures; Cervical Spine, Neck, Skull Base and Orbit

<b>Introduction</b> . . . . .	361
<b>Cervical Spine</b> . . . . .	361
Calcific Tendinitis Longus Colli . . . . .	361
Ossification of Posterior Longitudinal Ligament . . . . .	363
Rheumatoid Pannus at Craniocervical Junction . . . . .	365
Tuberculosis at Craniocervical Junction . . . . .	366
Chiari Malformation Type I . . . . .	367
Chordoma at Craniocervical Junction . . . . .	368
Cervical Spine Teratoma . . . . .	370
Cervical Spine Cord Astrocytoma . . . . .	371
Extramedullary Cervical Lipoma with Cord Compression . . . . .	372
Cervical Spine Meningioma . . . . .	373
Cervical Spine Neurofibromatosis Type 1 (NF-1) . . . . .	374
Cervical Spine Fracture . . . . .	375

<b>Neck</b> . . . . .	376	<b>Orbit</b> . . . . .	402
Hypopharynx Abscess . . . . .	376	Orbital Infectious Disease . . . . .	402
Thyroid Abscess . . . . .	377	Dacryocystocele, Nasolacrimal Duct . . . . .	404
Tornwaldt's Cyst . . . . .	378	Dermoid . . . . .	405
Dermoid Cyst in Floor of Mouth . . . . .	379	Fibrous Dysplasia . . . . .	406
Goiter . . . . .	379	Langerhans Cell Histiocytosis . . . . .	407
Vocal Cord Paralysis . . . . .	380	Neurofibromatosis . . . . .	408
Neck Hemangioma . . . . .	380	Hemangioma . . . . .	409
Neck Lipoma . . . . .	382	Meningioma . . . . .	410
Neck Plexiform Neurofibroma . . . . .	383	Rhabdomyosarcoma . . . . .	411
Pharynx Rhabdomyosarcoma . . . . .	384	Lymphoblastic Leukemia . . . . .	412
Tongue Base Carcinoma . . . . .	385	<b>Suggested Reading</b> . . . . .	413
Hypopharynx Carcinoma . . . . .	386		
Burkitt's Lymphoma . . . . .	387	<hr/>	
Castleman's Disease . . . . .	388	<b>14 Interventional Maxillofacial Radiology</b>	
Lymphadenopathy . . . . .	388		
<b>Skull Base</b> . . . . .	390	<b>Introduction</b> . . . . .	415
Mastoiditis with Intracranial Abscess . . . . .	390	<b>TMJ Arthrography</b> . . . . .	415
Mastoiditis with Sigmoid Thrombosis . . . . .	392	<b>TMJ Arthroscopy</b> . . . . .	417
Osteoradionecrosis Involving Skull Base . . . . .	393	<b>Sialography</b> . . . . .	418
Langerhans Cell Histiocytosis . . . . .	394	<b>Biopsy</b> . . . . .	422
Fibrous Dysplasia . . . . .	395	<b>Facial Hemangioma Embolization</b> . . . . .	425
Giant Aneurysm of Skull Base . . . . .	396	<b>Nose Bleed Embolization</b> . . . . .	426
Glomus Vagale Paraganglioma . . . . .	397	<b>Juvenile Angiofibroma Embolization</b> . . . . .	427
Craniopharyngioma . . . . .	398	<b>Suggested Reading</b> . . . . .	429
Pituitary Macroadenoma		<hr/>	
Invading Skull Base . . . . .	399	<b>Subject Index</b> . . . . .	431
Trigeminal Schwannoma . . . . .	400		
Metastatic Disease to Hypoglossal Canal and Clivus . . . . .	401
