

Contents (Volume 1 and 2)

VOLUME 1

Major Multi-System Diseases	1
1 Amebiasis	1
2 Schistosomiasis	109
3 Hydatid Disease (Echinococcosis)	205
4 Chagas' Disease (American Trypanosomiasis)	355
5 Tuberculosis	391
6 The Mycoses: Diseases Caused by Fungi and Filamentous Bacteria	533
7 Taeniasis, Cysticercosis, Sparganosis, Other Tapeworm Infections	641
8 The Acquired Immunodeficiency Syndrome (AIDS) in the Tropics	681
Index (Volume 1 and 2)	743

VOLUME 2

Gastrointestinal and Abdominal Diseases . .	1
<i>Predominantly Small Bowel</i>	1
9 Giardiasis	1
10 Ascariasis	11
11 Anisakiasis	41
12 Ancylostomiasis (Hookworm Disease) . . .	51
13 Strongyloidiasis; Angiostrongyliasis	67
14 Capillariasis; Trichinosis (Trichinellosis) . .	95
15 Typhoid and Paratyphoid Fever; Salmonella Infections	109
16 Tropical Sprue; Kwashiorkor	123
<i>Predominantly Colon Diseases</i>	147
17 Trichuriasis (Whipworm Infection)	147
18 Helminthoma	157
19 Shigellosis (Bacillary Dysentery)	163
20 Lymphogranuloma Venereum	171

<i>Liver Diseases</i>	179
21 Clonorchiasis and Other Liver Fluke Diseases; Oriental Cholangiohepatitis	179
Chest Diseases	205
<i>Lung Diseases</i>	205
22 Paragonimiasis	205
23 Melioidosis	241
24 Plague	269
<i>Cardiovascular Diseases</i>	283
25 Cardiac Disease in the Tropics	283
Endomyocardial Fibrosis	287
Annular Subvalvular Aneurysms	294
Idiopathic Cardiomegaly	301
Puerperal Cardiomegaly	303
Idiopathic Aortitis	304
Soft Tissue and Bone Diseases	325
<i>Soft Tissue Diseases</i>	325
26 Filariasis and Elephantiasis	325
Filariasis	325
Onchocerciasis	344
Loiasis	351
Tropical Pulmonary Eosinophilia	355
Dirofilariasis	356
Elephantiasis	360
Podoconiosis	363
27 Guinea Worm Infection (Dracunculiasis) . .	369
28 Pentastomiasis (<i>Armillifer</i> Infection)	389
29 Tumoral Calcinosis	397
30 Tropical Pyomyositis	419

<i>Bone Diseases</i>	429	Other Tropical Diseases	673
31 The Hemoglobinopathies: Sickle Cell Disease and Thalassemia	429	44 Geographic Variations of Nonmalignant Diseases in the Tropics	673
32 Brucellosis	469	45 Toxoplasmosis	737
33 Tetanus	481	46 Fevers	751
34 Leprosy	489	Malaria	751
35 Yaws; Endemic (Nonvenereal) and Congenital Syphilis	529	Tropical Splenomegaly	758
36 Tropical Ulcer	551	Leishmaniasis	760
37 Ainhum	563	Kidney Worm: Dioctophymiasis and Eustrongylidiasis	764
38 Scleroma (Rhinoscleroma)	573	Dengue Fever	766
39 Noma (Cancrum Oris)	581	Babesiosis	766
40 Smallpox: Osteomyelitis Variolosa, Smallpox Pneumonia, and Tanapox (Monkeypox)	587	Leptospirosis	767
		Gnathostomiasis	768
Neoplastic (Malignant) Diseases	601	Equipment and Techniques	775
41 Burkitt's Lymphoma	601	47 Diagnostic Imaging in Small Hospitals . . .	775
42 Kaposi Sarcoma in HIV-Negative Patients .	625	48 The Ultrasonography of Tropical Diseases .	791
43 Geographic Variations of Malignant (Neoplastic) Diseases in the Tropics	649	Index (Volume 1 and 2)	849
