

Contents

Chapter 1 Imaging Anatomy in Revision Sinus Surgery 1 <i>Ramon E. Figueroa</i>	Chapter 8 Surgical Instruments in Revision Endoscopic Sinus Surgery 63 <i>Vijay R. Ramakrishnan and Todd T. Kingdom</i>
Chapter 2 Indications for Revision Endoscopic Sinus Surgery 13 <i>Marc A. Tewfik and Martin Desrosiers</i>	Chapter 9 Anesthetic Choices, Techniques, and Injections 71 <i>W. Derek Leight and Brent Senior</i>
Chapter 3 Predictors of Failure of Primary Surgery 19 <i>Iman Naseri and John M. DelGaudio</i>	Chapter 10 Tips and Pearls in Revision Sinus Surgery 79 <i>Alexander G. Chiu and David W. Kennedy</i>
Chapter 4 Pathophysiology of Inflammation in the Surgically Failed Sinus Cavity 25 <i>Wytske J. Fokkens, Bas Rinia and Christos Georgalas</i>	Chapter 11 Septal and Turbinate Surgery in Revision Sinus Surgery 91 <i>Joseph Raviv and Peter H. Hwang</i>
Chapter 5 Medical Management after Primary Surgery Failure and Preoperative Medical Management 37 <i>Jan Gosepath</i>	Chapter 12 Revision Endoscopic Surgery of the Ethmoid and Maxillary Sinus 101 <i>Biana G. Lanson, Seth J. Kanowitz, Richard A. Lebowitz, and Joseph B. Jacobs</i>
Chapter 6 New Technologies for Revision Sinus Surgery 45 <i>Elisa M. Lynskey, Richard A. Lebowitz, Joseph B. Jacobs, and Marvin P. Fried</i>	Chapter 13 Revision Endoscopic Surgery of the Sphenoid Sinus 109 <i>Richard R. Orlandi</i>
Chapter 7 Surgical Anatomy in Revision Sinus Surgery 53 <i>Adam J. Folbe and Roy R. Casiano</i>	Chapter 14 Endoscopic and Microscopic Revision Frontal Sinus Surgery 117 <i>Ulrike Bockmühl and Wolfgang Draf</i>

Chapter 15 Revision Endoscopic Frontal Sinus Surgery	127	Chapter 23 Allergy and the Patient Requiring Revision Sinus Surgery	193
<i>Patricia A. Maeso, Subinoy Das, and Stilianos E. Kountakis</i>		<i>Li-Xing Man and Berrylin J. Ferguson</i>	
Chapter 16 Postoperative Medical Management ...	135	Chapter 24 Staging of Disease after Sinus Surgery Failure	199
<i>Dennis F. Chang, David B. Conley, and Robert C. Kern</i>		<i>Valerie J. Lund</i>	
Chapter 17 Evaluation and Treatment of Recurrent Nasal Polyposis	143	Chapter 25 Headache and the Patient who Failed Primary Sinus Surgery	217
<i>Frederick C. Roediger and Andrew N. Goldberg</i>		<i>William H. Moretz III and Stilianos E. Kountakis</i>	
Chapter 18 Revision Surgery for Allergic Fungal Rhinosinusitis	153	Chapter 26 Complications in Revision Sinus Surgery: Presentation and Management	223
<i>Subinoy Das, Patricia A. Maeso, and Stilianos E. Kountakis</i>		<i>John Scianna and James Stankiewicz</i>	
Chapter 19 Revision Endoscopic Surgery for Benign Sinonasal Tumors	159	Chapter 27 Revision Dacryocystorhinostomy	235
<i>Michael J. Sillers and Yvonne Chan</i>		<i>Metin Onerci</i>	
Chapter 20 Recurrent Cerebrospinal Fluid Leaks and Meningoencephaloceles	167	Chapter 28 Revision Endoscopic Transsphenoidal Hypophysectomy	245
<i>Sarah K. Wise, Richard J. Harvey, and Rodney J. Schlosser</i>		<i>Karen A. Kölln and Brent A. Senior</i>	
Chapter 21 Delayed Complications Following Sinus Trauma	179	Chapter 29 Revision Image-Guided Functional Endoscopic Sinus Surgery	251
<i>David M. Poetker and Timothy L. Smith</i>		<i>Martin J. Citardi and Pete S. Batra</i>	
Chapter 22 Recurrent Mucoceles	185	Chapter 30 Revision Endoscopic Sinus Surgery in Children	269
<i>Benjamin Bleier, James N. Palmer, and Bradford A. Woodworth</i>		<i>Hassan H. Ramadan</i>	
		Chapter 31 Open Approaches after Failure of Primary Sinus Surgery	275
		<i>Mark C. Weissler</i>	

Chapter 32 “Above and Below” Techniques in Revision Sinus Surgery 281 <i>Timothy Haegen, Ryan M. Rehl, and Winston C. Vaughan</i>	Chapter 36 Objective and Subjective Outcomes after Revision Sinus Surgery 317 <i>Michael G. Stewart and Scott M. Rickert</i>
Chapter 33 Revision Endoscopic Skull-Base Surgery 289 <i>Aldo C. Stamm, João Flávio, and Richard J. Harvey</i>	Chapter 37 Bioabsorbable Materials in Revision Sinus Surgery 329 <i>Rakesh K. Chandra and Robert C. Kern</i>
Chapter 34 Stenting in Revision Sinus Surgery 301 <i>Seth J. Kanowitz, Joseph B. Jacobs, and Richard A. Lebowitz</i>	Chapter 38 Endoscopic Approach after Failure of Open Sinus Procedures 337 <i>Raymond Sacks and Larry Kalish</i>
Chapter 35 Use of Intravenous Antibiotics in Sinus Surgery Failures 309 <i>Seth M. Brown, Abtin Tabaee, and Vijay K. Anand</i>	Subject Index 347
