

**Table of contents**

<b>1. Introduction.....</b>	<b>1</b>
1.1 Offshoring abstract .....	1
1.2 Core research questions.....	12
1.3 Approach to analysis .....	13
<b>2. Offshoring theory .....</b>	<b>16</b>
2.1 Classification and delimitation.....	16
2.2 Offshoring relevance.....	28
2.3 Motivations and objectives.....	46
2.4 Offshoring applications .....	70
2.5 Performance indications .....	83
<b>3. Growth theory .....</b>	<b>90</b>
3.1 Value and nature of growth.....	90
3.2 Innovational classification .....	97
3.3 Boundaries and external opportunities .....	110
<b>4. Research methodology .....</b>	<b>122</b>
4.1 Core research questions.....	122
4.2 Hypotheses extension .....	124
4.3 Research model.....	127
<b>5. European sponsor survey .....</b>	<b>136</b>
5.1 Testing design .....	136
5.2 Data, analysis and results.....	155
5.3 Hypotheses validation.....	219
5.4 Intermediary conclusion.....	229
<b>6. Asian contract researcher cases .....</b>	<b>232</b>
6.1 Testing design .....	232
6.2 Clinical trial offshoring.....	236
6.3 Case study one: Biocon India .....	245
6.4 Case study two: Ranbaxy Laboratories India.....	255
<b>7. Discussion and conclusion .....</b>	<b>265</b>
7.1 Synthesis of results.....	265
7.2 Implications and limitations .....	279
7.3 Outlook .....	283
<b>References .....</b>	<b>285</b>
<b>Appendix .....</b>	<b>331</b>
