Contents	IX
List of Figures	XIII
List of Tables	XVII
List of Abbreviations	XIX
A The Challenge of Triggering Change in Organizations	1
B Deterministic and Voluntaristic Theories of Organizational Change	9
B.I Incommensurable Drivers of Organizational Evolution.....	9
B.I.1 The Classical View of Adaptation to the Environment	11
B.I.1.a Deterministic Adaptation and Impediments to the Adaptation Process	11
B.I.1.b Behavioral Elements of Adaptation	15
B.I.2 Inertia and Routines as Determinants of Change	21
B.I.2.a Inertia Leading to Environmental Selection	21
B.I.2.b Routines Hindering and Driving Change	24
B.I.3 Transformation Triggered by Strategic Choice	28
B.II Reconciliation of Environmental Determinism and Managerial Choice	33
B.II.1 Compatibility of Voluntaristic and Deterministic Views.....	33
B.II.2 Understanding Change by the Combination of Environmental and Managerial Forces	37
B.II.3 A Reconciled Theory of Radical Change	43
B.III Cognition and Attention as Drivers and Restraints of Alteration.....	49
B.III.1 Perception of the Environment Through a Cognitive Managerial Lens.....	49
B.III.2 Selective Attention to Issues and Stakeholders	54
B.IV Need for a Dynamic Feedback View of Organizational Change.....	61

C	The Phenomenon of Inertia and Change Exemplified in a Case Study of the New York Stock Exchange	65
C.I	A Method Mix for Studying Change in Organizations and Especially at the New York Stock Exchange	67
C.I.1	Contribution of Studying Change with System Dynamics and Case Study Methodologies	69
C.I.2	The Process of Model Conceptualization Supported by Case Study Research Methods.....	72
C.I.3	Confidence Through Model Analysis and Testing.....	79
C.II	Reacting to Automation in the U.S. Securities Market.....	80
C.II.1	Automation of Order Clearing, Routing, and Information Systems ..	80
C.II.2	Moving Towards an Electronic Market.....	87
C.II.3	The New York Stock Exchange's Recast of Trading Systems.....	93
C.III	Structure and Behavior of Forces for Retention and Change	100
C.III.1	A Perspective of Adaptation to the External Environment	101
C.III.2	An Endogenous Struggle of Culture and Resistance.....	111
C.III.3	Managerial Impact on Change.....	120
C.III.4	Full Model Behavior	139
C.IV	Analyses of Model Structure and Behavior	145
C.IV.1	Confidence in Model Structure and Parameterization.....	146
C.IV.2	Validation of Model Behavior and Sensitivity	149
C.V	Implications of the New York Stock Exchange's Recast of Trading Systems	160
D	Generic Interpretation of Organizational-Environmental Forces, Feedback, and Change.....	165
D.I	A Generic Model of Organizational Inertia and Change	165
D.I.1	Motivation for a Generic View	165
D.I.2	Generic Model Structure	168
D.II	Structural-Behavioral Analysis and Causal Theory	182
D.II.1	Validation of the Generic Model.....	182
D.II.2	Effects of Reinforcing and Balancing Feedback on the Occurrence of Change.....	185

D.III Possibilities of Managerial Intervention for Driving Change 192

 D.III.1 Inertia and the Ambiguous Effects of the Responsiveness to
 Pressure 192

 D.III.2 Effects of Increases in the Responsiveness of Attention 198

D.IV Joint Management of Leverage Points 199

 D.IV.1 Relationship Between the Responsiveness of Strategy to
 Pressure and Attention 200

 D.IV.2 Policy Implications in Different Environments 205

D.V A Feedback Theory of Organizational Inertia, Change, and Attention..... 211

E Realization of Change in Organizations 217
