

Table of Contents

1 Introduction	1
2 Intended and unintended consequences of mandatory IFRS adoption	5
2.1 Introduction	5
2.2 Conceptual underpinnings.....	7
2.2.1 Economic consequences.....	7
2.2.2 Intended versus unintended consequences of mandatory IFRS adoption	9
2.3 Intended consequences of mandatory IFRS adoption	11
2.3.1 Theoretical background.....	11
2.3.2 Empirical evidence	13
2.3.2.1 Accounting effects	13
2.3.2.2 Capital market effects	16
2.3.2.3 Macroeconomic effects.....	19
2.3.3 Discussion.....	20
2.4 Unintended consequences of mandatory IFRS adoption	22
2.4.1 Individual contracts	23
2.4.2 Collective contracts	25
2.5 Economic consequences in anticipation of mandatory IFRS adoption.....	31
2.5.1 Ex-ante stock market reactions.....	31
2.5.2 Avoidance strategies.....	32
2.5.3 Lobbying activities	34
2.5.4 Timing transactions	37
2.6 Summary and suggestions for future research	37
2.7 Tables	43
2.7.1 Sample size comparison	43
3 The impact of mandatory IFRS adoption on cross-border equity investments of individual investors.....	45
3.1 Introduction	45
3.2 The Open Market.....	48
3.2.1 Institutional background.....	48
3.2.2 Data and descriptive statistics	51
3.2.3 Determinants of Open Market inclusion	54
	XI

3.3	Mandatory IFRS adoption and trading activities in the Open Market	55
3.3.1	Predictions	55
3.3.2	Open Market inclusion analysis	59
3.3.2.1	Research design	59
3.3.2.2	Empirical findings.....	60
3.3.3	Open Market trading volume analysis.....	61
3.3.3.1	Research design	61
3.3.3.2	Empirical findings.....	62
3.3.4	Cross-sectional analysis of the Open Market reaction	64
3.3.4.1	Research design	64
3.3.4.2	Empirical findings.....	65
3.3.5	Auxiliary analyses	66
3.3.5.1	Frankfurt floor versus XETRA	66
3.3.5.2	Other German exchanges.....	66
3.4	Conclusions	67
3.5	Tables	69
3.5.1	Sample composition by country and year	69
3.5.2	Descriptive statistics	71
3.5.3	Institutional characteristics of IFRS and non-IFRS adoption countries.....	72
3.5.4	Determinants of Open Market inclusion	74
3.5.5	Mandatory IFRS adoption and Open Market inclusion	75
3.5.6	Mandatory IFRS adoption and Open Market trading activity.....	76
3.5.7	Cross-sectional analysis of the Open Market reaction	78
3.6	Appendices	79
3.6.1	Comparison of transaction costs: Open Market versus home markets	79
3.6.2	Google search results and trading volume.....	81
4	The economic consequences of fair value reclassifications under IFRS	83
4.1	Introduction	83
4.2	Institutional background.....	88
4.2.1	Events preceding the reclassification amendments	88
4.2.2	The reclassification amendments	91
4.2.2.1	Amendments to IAS 39: recognition and measurement.....	91
4.2.2.2	Amendments to IFRS 7: disclosures.....	92
4.2.2.3	Consequences for the regulatory capital of banks	93

4.2.3	Initial reactions to the amendment decision	94
4.3	Hypotheses development and related literature	96
4.3.1	Short-term benefits of the reclassification choice	96
4.3.2	Long-term costs of the reclassification choice	100
4.4	Empirical analysis	101
4.4.1	Sample selection and data sources	101
4.4.2	Descriptive evidence.....	103
4.4.2.1	Accounting effects of the reclassification amendments	103
4.4.2.2	Footnote disclosures of reclassifications	106
4.4.3	Economic and political drivers of the reclassification choice.....	107
4.4.3.1	Research design	107
4.4.3.2	Empirical findings.....	110
4.4.4	Stock price reactions to reclassification announcements	112
4.4.4.1	Research design	112
4.4.4.2	Empirical findings.....	116
4.4.5	Long-term effects of reclassifications on information asymmetry	118
4.4.5.1	Research design	118
4.4.5.2	Empirical findings.....	119
4.5	Conclusions and implications.....	120
4.6	Tables	122
4.6.1	Reclassification data and selected variables.....	122
4.6.2	Reclassification effects	123
4.6.3	Descriptive statistics	124
4.6.4	Reclassification disclosures.....	125
4.6.5	Determinants of reclassification choice.....	126
4.6.6	Stock market reactions to regulatory events.....	127
4.6.7	Stock market reactions to reclassification announcements	129
4.6.8	Long-term effects of reclassifications on information asymmetry	130
5	Summary and Conclusions	133
